Subject: Bessie's Octoer 24, 2013 Comments to the HAMP MOA
Attachments: HAMP MOA - Bessie - 10-24-13.docx

Brad,

Attached are my October 24, 2013 rewrites to my HAMP MOA comments. Sorry I am late but I had a little family "thing" to take care of this morning.

There is one item that popped into my brain that may (or may not) need to be discussed. This is where chlorination will be taking place. I have a comment in the attachment about it.
